2. Covid-19 Corona Pandemic:

In the month of December 2020, the infection due to COVID-19 was first reported in China. By the early of March, 2020 this contagious disease had taken a form of global pandemic which further turned into a global crisis. Various Governments in the world were forced to impose lock- down in the countries stopping the gross economic activities. In our country the lockdown remained till mid of the May, 2020.

The Company had shut its office effecting from 19th March, 2020 as a major safeguard against the spread of Corona virus also all the preventive measures as per the various circulars of Government of India and State Government was followed and adhered to. Further in lack of the business operations and turnover in the Company, no such impact on the profitability and cash flow etc. was made. However, the Board has remained vigil towards the internal control system. The Company has been disclosing and complying with the necessary requirements of the Law including the Listing Regulations. A due declarations about the impact of Corona Covid-19 has also been made in the Financial statement ending 31st March, 2020.

3. Dividend

There is no operating income or profit, hence no dividend is being recommended.

4. Reserves

There is no surplus available to be carried forward to reserve. However the negative balance in the Profit/Loss account has been accounted for with the reserves.

5. Results of Business Operations and the State of Company's Affairs

The project status of the Company remained static since the last reporting. However, we have been apprising you that it could not take off due to various reasons which included the unfavorable industrial scenario, change in the policies of the Govt. (over the period of time), status of the land acquisition and overall investment of the promoters being low etc. In the previous year, the subsidiary has also initiated to sell the land of the project as per the approval obtained from the shareholders. Hence as of now the project has been into the status of abandon.

During the financial year ended 31st March, 2020, the Company has reported Standalone and Consolidated Profit/Loss before Tax of Rs. (3.62) millions and Rs. (166.46) millions, respectively.

The aforesaid continued adverse situation of the Company has led into the further reduction of Net worth of the Company, which further slipped from (Rs. 16.90) millions of the 2018-19 to (Rs. 20.52) millions of 2019-20. The losses of the Company has been (Rs.3.62) millions for 2019-20 which has further increased the negative Reserves to (Rs.111.12) millions in 2019-20 from (Rs.107.50) Millions in 2018-19. Though the promoters have been infusing funds to meet the liabilities and future running expenses of the Company.

In our previous reports, we had explained you in detail about the Loan obtained by the subsidiary Company. The total loan balance at the end of the financial year was Rs. 44,02,55,603. The sale process of the land is under the process and till the end of this reporting year, 97.68 acres of Land has been sold for Rs. 2,93,02,500/-.

6. Change in Nature of Business

In FY 2019-20, there was no change in the nature of business of the Company.

7. Material changes and commitment if any affecting the financial position of the Company occurred between the end of the financial year to which this financial statement relates and the date of the report

ANNEXURE-3

For the Financial Period ended 31st March 2020
[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SRM Energy Limited
21, Basant Lok Complex,
Vasant Vihar, New Delhi-110057
[CIN: L17100DL1985PLC303047]

I have conducted secretarial audit of the compliance of applicable statutory provisions and adherence to good corporate practices by M/s. SRM Energy Limited (hereinafter referred as 'the Company'). The secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the SRM Energy Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial period ended on March 31, 2020 (commencing from April 1, 2019 to March 31, 2020), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent based on the management representation letter/ confirmation received from the management, in the manner and subject to the reporting made hereinafter. The members are requested to read this report along with my letter dated August 21, 2020 annexed to this report as **Annexure - A**.

1. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial period ended on March 31, 2020 according to the applicable provisions of:
 - i) The Companies Act, 2013 (the 'Act') and the rules made thereunder;
 - ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - iii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
 - iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not applicable to the Company during the audit period);
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (**Not applicable to the Company during the audit period**);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (**Not applicable to the Company during the audit period**);
 - f) The Securities and Exchange Board of India (Registrars to an issue and share transfer agents) Regulations, 1993 regarding the Companies Act and dealing with clients to the extent of securities issued; and
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Not applicable to the Company during the audit period**).
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (**Not applicable to the Company during the audit period**);
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015,
2. I have relied upon the representation made by the Company and its officers and compliance reports from the management for systems and mechanism framed by the Company for compliances of other applicable Act, Laws and Regulations to the Company. Further, on examination of the relevant documents, records, management confirmations in pursuance thereof, on test check basis, I further report that the Company does not have required employees falling under the applicability of labour laws.
3. I have also examined compliance with the applicable clauses of the following:
 - i) Secretarial Standards issued by The Institute of Company Secretaries of India, with respect to board and general meetings (hereinafter referred as '**Secretarial Standards**'). I noted that the Company is generally regular in complying with the Secretarial Standards; and
 - ii) The Listing Agreements entered into by the Company with BSE Limited (hereinafter referred as '**BSE**' or '**the Stock Exchange**').
4. During the period under review, to the best of my knowledge and belief and according to the information and explanations given to me, the Company has been regular in compliance with the provisions of the Acts, Rules, Regulations, Secretarial Standards and Listing Agreements mentioned above.
5. I further report that compliance of applicable financial laws including Direct and Indirect Tax Laws by the Company has not been reviewed in this audit since the same has been subject to review by the Statutory Auditors and other designated professionals.

6. I further report that:
- i) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Board also has a woman director. There was no change in composition of the Board of Directors during the period under review.
 - ii) Adequate notice is given to all directors to schedule the Board Meetings. Notice of Board meetings was sent at least seven days in advance of the meeting. A system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and for their meaningful participation at the meetings. Decisions of Board/Committee were carried through majority. I am informed that there were no dissenting members' views on any of the matters during the year that were required to be captured and recorded as part of the minutes.
 - iii) There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
 - iv) I further report that during the audit period the Company had no specific actions having bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards, guidelines etc, except that already reported in the last Secretarial Audit Report for the year ended March 31, 2019.

Note: Due to COVID-19 outbreak worldwide, lockdown imposed and social distancing guidelines issued by Government of India and respective State Governments since March 24, 2020 till date of this report, I have not been able to do process audit and physical verification of certain books, papers, minute books, forms and returns filed and other records maintained by the Company and same have been verified electronically either on emails or virtual data room.

This Section of Annual Report primarily focusses on Industry Structure and Developments, Opportunities and Threats, Performance of the Company, Internal Control Systems and their Adequacy, Key financial aspects and the overall risks and concerns during the financial year and till date of this report.

1. FORWARD-LOOKING STATEMENT

Statements in this Management Discussion and analysis of Financial Condition of the Company describing the Company's objectives, expectations or predictions may be forward looking. Forward looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company assumes no responsibility to publicly amend, modify or revise forward looking statements on the basis of any subsequent developments, information or events.

In accordance with the provisions of the Companies Act, 2013 (the Act) and comply with the Companies (Indian Accounting Standards) (Ind AS) Rules, 2015, which have been notified by the Central Government on February 16, 2015. The Management of SRM Energy Limited ("SRM Energy" or "the Company") has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner, the state of affairs and profit/(loss) for the year.

The following discussions on our financial condition and operations should be read together with our audited consolidated financial statements and the notes to these statements included in the Annual Report.

Unless otherwise specified or the context otherwise requires, all references herein to "we", "us", "our", "the Company", or "SRM Energy" are to SRM Energy Limited and/or its subsidiary companies.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

Power is one of the most critical components of infrastructure crucial for the economic growth and welfare of nations. The existence and development of adequate infrastructure is essential for sustained growth of the Indian economy.

Indian power sector is undergoing a significant change that has redefined the industry outlook. Sustained economic growth continues to drive electricity demand in India. The Indian government's focus on attaining 'Power for all' has accelerated capacity addition in the country.

India's power sector is one of the most diversified in the world. Sources of power generation range from conventional sources such as coal, lignite, natural gas, oil, hydro and

nuclear power to viable non-conventional sources such as wind, solar, and agricultural & domestic waste. Total installed capacity of power stations in India stood at 370.34 GW as of April 2020. Electricity production reached 1,252.61 billion units (BU) in FY20.

Between April 2000 and March 2020, the power industry attracted US\$ 14.98 billion in Foreign Direct Investment (FDI), accounting for three per cent of total FDI inflow in India.

Financial Year 2019-20 remained a subdued year for India's power sector. Power demand grew at a rate of just about 1% largely reflecting slowdown in the economy.

The year ended with all round massive disruptions caused by COVID-19 pandemic. While the impact in FY 20 was limited to a catastrophic immediate fall in demand in the last week of March 2020, the pandemic is expected to have a deep and lasting impact on the economy, businesses and social setup generally. As of the date of this report, the situation is evolving with no clear visibility on the extent and timing of impact on power sector. This will muddy the already poor investment climate in the sector and further slow down the flow of new investments in the sector. The sector already grappling with several impediments faces the most challenging FY 21 ahead.

On the policy and regulatory front, the Government and Regulatory bodies continued the reform process for improvement in efficiency in various aspects of power supply. Government of India launched "Pradhan Mantri Sahaj Bijli Har Ghar Yojana (SAUBHAGYA)" to achieve universal household electrification in the country.

2.1. GENERATION

The electricity generation target of conventional sources for the year 2020-21 was fixed at 1330 Billion Unit (BU), comprising of 1138 BU from thermal, 140.35 BU from Hydro, and 43.88 from Nuclear having total growth of around 6.33% over actual conventional generation of 1250.784 BU for the reporting year. The conventional generation during 2019-20 was 1250.784 BU as compared to 1249.337 BU generated during 2018-19, representing a growth of about 0.12%.

Renewable energy is fast emerging as a major source of power in India. The Government of India has set a target to achieve 175 GW installed capacity of renewable energy by Financial year 2022.

In Financial Year 2020, total thermal installed capacity in the country stood at 230.81 GW while renewable, hydro, and nuclear energy installed capacity totalled to 86.76 GW, 45.70 GW and 6.78 GW, respectively. The Government plans to double the share of installed electricity generation capacity of renewable energy to 40 per cent by 2030. India has also raised the solar power generation capacity addition target by five times to 100 GW by 2022. The Government is preparing a 'rent a roof' policy for supporting its target of generating 40 GW of power through solar rooftop projects

by 2022. The peak power demand in the country stood at 180.80 GW in Financial Year 2020

In the Union Budget 2020-21, Rs 15,875 crore (US\$ 2.27 billion) has been allocated to the Ministry of Power, while Rs 5,500 crore (US\$ 786.95 million) has been allocated towards Deen Dayal Upadhyay Gram Jyoti Yojana (DDUGJY).

India has relied traditionally on coal-fired power plants, which generated 72% of the country's electricity in 2018-19. India's combination of abundant sunshine about 300 sunny days in a year and a large energy hungry population makes it an ideal location for solar. The country's solar capacity reached 36.6GW at the end of the first quarter of 2020, with the aim of growing to 100 GW by 2022.

2.2. Fuel

Through sustained programme of investment and greater thrust on application of modern technologies, it has been possible to raise the All India production of coal at 728.72 million tonnes in 2018-19. The all India Production of coal during 2019-20 were 729.10 MT (Provisional) with a positive growth was 0.05%.

Singareni Collieries Company Limited (SCCL) is the main source for supply of coal to the southern region. SCCL production of coal during 2019-20 was 64.40 MT(Provisional) with a negative growth was -0.55%. Small quantities of coal are also produced by TISCO, IISCO, DVC and others.

India's Coal Import increased to 248.55 Million tonnes in financial year 2019-20 as compared to 235.24 Million tonnes in financial year 2018-19.

2.3 Transmission

The transmission network in India has grown significantly over the past few years driven by the need to support the growing load and provide connectivity to generation projects. India's power transmission segment is growing mainly due to the thrust provided by the recent policy and regulatory development, as well as government initiatives

In the transmission sector, India's regional grids (Northern, Eastern, Western, North-Eastern and Southern) are currently integrated into one national grid. By the end of the 12th plan period (2012-2017), India had total inter-regional transmission capacity to transfer nearly 75,050 MW. This is expected to increase to about 1,18,050 MW by the end of the 13th Plan (2017-2022) and will be adequate to meet the energy flow requirements across the regions within India.

2.4. Distribution

The distribution sector consists of Power Distribution Companies (Discoms) responsible for the supply and distribution of energy to the consumers (industry, commercial, agriculture, domestic etc.). This sector is the weakest link in terms of financial and operational sustainability.

Central and state governments have launched a number of schemes and initiatives aimed at improving the operations and financial health of Discoms. UDAY (Ujwal Discom Assurance Yojana) scheme, launched in November 2015, is the latest attempt to address the severe financial stress due

to accumulation of debt by the Discoms, with a focus on improving the overall efficiency and financial turnaround.

India's power distribution sector is passing through a turbulent phase on the back of large accumulated dues to be paid to generators, liquidity issues due to restricted cash flow, uncertain revenue due to closure of industrial and commercial operations and the prevailing low power demand in the sector in the wake of the lockdown due to the coronavirus outbreak. Lockdown has impacted the financial health of Discoms. India's daily power demand has declined by 25 to 28 percent since the beginning of the nationwide lockdown, driven primarily by factory and office closures in the commercial and industrial sectors.

3. OPERATIONAL PERFORMANCE

The Company had plan to set up a power project at Tamilnadu with a capacity of 3X660 MW i.e. 1980 MW. The said plan was proposed to be set up through the Wholly Owned Subsidiary SRM Energy Tamilnadu Pvt. Ltd. Your Company has no other operation at present and the related expenses incurred during the current period are considered as pre-operative expenses pending allocation to the power project.

As informed earlier that the project did not took off due to various reasons including the changed market conditions for the thermal power project over a period of time, and also the changed in policies of the Government, the overall investments in the Company was also one of the reasons. In its Director's Report, the Company has been apprising you about its situation. The Company's the Net worth has been significantly reduced and it has been incurring cash losses.

As apprised in the last annual report the company initiated the process for sale of land of subsidiary company and utilized the sale proceeds towards settling of loan as extended to its subsidiary. Till March 31, 2020 subsidiary company has sold 97.680 acres of its land out of 215.140 acres of total land. As per the approval of shareholders, the subsidiary company utilized the part amount of Rs. 66.05 Lac out of the total sale proceed of Rs. 293.02 lac to settle the outstanding loan. Rs 210.00 Lac is kept in the Fixed Deposit to be utilised to settle the loan.

4. PROJECT AT CUDDALORE

The project status of the Company remained static since the last reporting. However, we have been apprising you that it could not take off due to various reasons which included the unfavorable industrial scenario, change in the policies of the Govt. (over the period of time), status of the land acquisition and overall investment of the promoters being low etc. In the previous year, the subsidiary has also initiated to sell the land of the project as per the approval obtained from the shareholders. Hence as of now the project has been into the status of abandon.

5. HUMAN RESOURCES

The Company continues to work with limited necessary staff as the company is not having any operations at present. As on 31st March, 2020 there are only two employees providing

best of their services to the Company. The employees include two key managerial personnel i.e. one Company Secretary (CS) and one Chief Financial Officer (CFO). The Company is a firm believer that its employees are its strength and the Company therefore respects individual rights and dignity of all its employees. The relations of the management with employees during the year continued to be cordial.

The Remuneration of employees is governed by a proper remuneration policy relating to the Whole time Director/ Executive/Managing Director, Key Managerial Personnel (KMP) and Senior Management Personnel, as required under the Companies, 2013 and SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015. Details of Remuneration paid to the employee during the financial year are provided in MGT-9 Forming part of Director's Report.

6. INTERNAL CONTROL SYSTEMS

The Company's Internal Control Systems are commensurate with the size and scale of its operations. Audit Committee of the Company monitors policies, guidelines and procedure of Internal Control System. M/S Amarjeet Singh & Associates is the Internal Auditor of the Company. It carries out extensive internal audit throughout the year across all functional areas and submits reports to Management and Audit Committee. The recommendations from such internal audit and follow up actions for improvements of the business processes and controls are also continuously reviewed and monitored by the Audit Committee.

7. RISKS AND CONCERNS

The key risks and concerns facing the power sector in India are as follows:

- The financial health of electricity DISCOMs is an area of key concern threatening its viability. DISCOMs are the weakest link in the electricity supply chain and have been suffering on account of operational inefficiencies
- The availability of cost-effective capital for funding of new projects is a cause of concern given banks' current exposure

to power sector and stranded assets, which may result in NPAs.

- The large number of stranded and under-utilized thermal assets adds to the already overburdened discoms by way of fixed costs. Climate change related norms, the Covid-19 lockdown has add on to the the burden and slowed down the pace of growth in demand.
- Though renewables are welcome from an environment perspective, a rapid expansion could be at the cost of thermal capacity utilization, thus adding net fixed costs to the system which is already overstretched. This could slow down the renewables sector.
- Shortage of domestic gas and expensive LNG imports affects the financial viability of gas-based power plants.
- Increasing digitization and digital inter-connections in the power system of the country have made the stakeholders (generators, transmission entities, distribution entities and load dispatch centres) exposed to increased risks of cyberattacks and vulnerable to widespread and prolonged service disruptions and data leakage, fraud, etc.
- The spread of Covid-19 and the resultant lockdowns imposed in the country will have impact on the franchised distribution business. Such impacts could be:
 - (a) reduction in demand for electricity;
 - (b) reduced collection efficiency causing non-collection of outstanding dues;
 - (c) incurrence of costs on labour and employees not fully utilised;
 - and (d) regulatory response to the pandemic causing reduction in profits.

CAUTIONARY STATEMENT

Certain statements in the Management Discussion and Analysis may be forward-looking. Actual outcomes may vary from those expressed or implied. The Company assumes no responsibility to publicly amend, modify, update or revise any such statements on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To The Members of SRM Energy Limited Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **SRM Energy Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the statement of Profit and Loss (including other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statement including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of state of affairs of the Company as at March 2020 and loss, Changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on Auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

Attention of the matters is invited to note no.28 of the notes to accounts regarding the financial statements of the Company having been prepared on a Going Concern basis, the Company's net worth has been significantly reduced and it has been incurring cash losses and the promoters have infused funds by way of unsecured loan and are committed to provide necessary funding to meet the liabilities and future running expenses of the Company. Further, pursuant to approval obtained from shareholders to sale/transfer, assign, deliver or otherwise dispose off the Land for the Power plant admeasuring 215.14 acres currently in the name of its wholly owned subsidiary, the subsidiary company has sold its land admeasuring 97.68 acres for Rs. 293.02 Lacs during the current financial year and the sale proceeds as received is being used to partially settle the pending loan. The Subsidiary company incurred a loss of Rs. 226.15 Lacs during the current financial year on sale of land. Till now approx. 55% of the land are unsold. In view of aforesaid, the accounts have been prepared under going concern basis.

Our opinion is not modified in respect to this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because

the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rule, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:-
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements-Refer Note 18 on Contingent Liabilities;
 - (ii) The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise; and
 - (iii) There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

TO THE INDEPENDENT AUDITORS' REPORT

ANNEXURE "A"

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SRM ENERGY LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance or adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation or reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment or the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2020

1. Corporate Information

SRM Energy Limited ("the company") is a public company domiciled in India and incorporated under the provisions of the Companies Act, 2013("the 2013 Act"). The company equity shares are listed on Bombay Stock Exchange(BSE). The Company has been engaged in setting up Thermal power project in its wholly owned subsidiary.The registered office of the company situated at 21, Basant Lok Complex, Vasant Vihar, New Delhi-110057. The company parent and ultimate holding Company is Spice Energy Pvt. Ltd.

2. Significant Accounting Policies**2.1 Statement of Compliance**

The financial Statements have been prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments that are measured at fair values, the provisions of the Companies Act,2013 ('the Act'). The Ind AS are prepared under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules,2015 and the relevant amendment rules issued thereafter.

2.2 Basis of preparation

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The principal accounting policies are set out below.

All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months.

2.3 Property, plant and equipment [PPE]

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any.

All items of property plant and equipment have been measured at fair value at the date of transition to Ind AS. The Company have opted such fair valuation as deemed cost at the transition date i.e. April 1, 2016.

Cost of acquisition or construction is inclusive of freight, duties, relevant taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for qualifying assets, upto the date of commissioning of the assets

2.4 Capital Work in Progress:

Project under which assets are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

2.5 Depreciation

Depreciation has been provided following Written Down Value Method based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013, unless stated otherwise.

2.6 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price & value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending upon changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

2.7 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Interest income earned on temporary investment of specific borrowing pending expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are expensed in the period in which they occur.

2.8 Leasing

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the company is classified as a finance lease. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

2.9 Foreign Currencies

Foreign Currency transactions are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated asset and liabilities

(monetary items) are translated into reporting currency at the exchange rates prevailing on the Balance Sheet date. Exchange difference arising on settlement of foreign currency transactions or restatement of foreign currency denominated assets and liabilities (monetary items) recognized in the Statement of Profit and Loss / Pre-operative expenses.

2.10 Employee benefits

Employee benefits such as salaries, allowances, non-monetary benefits which fall due for payment within a period of twelve months after rendering service, are capitalised if related to project else recognised in the Statement of Profit & Loss in the period in which the service is rendered.

Employee benefits under defined benefit plans, such as gratuity which fall due for payment after completion of employment, are measured by the projected unit credit method, on the basis of actuarial valuation carried out by the third party actuaries at each balance sheet date. The Company's obligations recognized in the Balance sheet represents the present value of obligations as reduced by the fair value of plan assets, where applicable.

During Current financial year, Provision for leave encashment is accounted on year to year basis and considered as short term employee benefits and are recognised as an expense at undiscounted amount in the profit and loss account for the year in which the related services are rendered.

Actuarial gains and losses are recognized immediately in the Statement of Profit & Loss.

2.11 Investments

Investments that are readily realizable & intended to be held for not more than a year are classified as current investment. All other investments are classified as long term investments. Current investments are carried at lower cost & fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize the decline other than temporary in the value of investments.

2.12 Provisions and Contingent Liabilities

Provisions

The company recognised a provision when there is a present obligation (legal or constructive) as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. When the company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may,

but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.13 Taxation

(i) Provision for Current Tax is made after taking into consideration benefits admissible under the provisions of The Income Tax Act, 1961.

(ii) Deferred tax resulting from "timing differences" between book and taxable profit is measured using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

(iii) At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognizes, unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company write-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

2.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.15 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3 Scheme of Arrangement :

The Board of Directors in their meeting held on October 18, 2013 has approved the effect of the orders of the Hon'ble Bombay High Court dated 3rd September 2013, (which was filed with the Registrar of Companies on 11th October 2013-the Effective date) approving the Scheme of Arrangement under Section 391 to 394 of the Companies Act, 1956 for hive off of the Cuddalore Power Division of the Company to the SRM Energy Tamilnadu Private Limited,with effect from 1st April 2012 (the "Appointed Date"), Accordingly all the assets and liabilities of the Cuddalore Power Division of the Company at book value as on 01.04.2012 along with increase or decrease thereafter were transferred to the SRM Energy Tamilnadu Private Limited. However, the formalities of transfer of properties, assets, consents, approvals, sanctions, licenses, contracts etc pertaining to the Cuddalore Power Division in the name of the SRM Energy Tamilnadu Private Limited are in progress.

INDEPENDENT AUDITOR'S REPORT

To The Members of SRM Energy Limited

Report on the Consolidated Ind AS Financial Statements Opinion

We have audited the accompanying consolidated Ind AS financial statements of **SRM Energy Limited** (hereinafter referred to as "the Holding Company") and its subsidiary SRM ENERGY TAMILNADU PRIVATE LIMITED (the Holding Company and its subsidiaries together referred to as "the Group") comprising the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of state of affairs of the Company as at March 2020 and loss, Changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on Auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

Attention of the matters is invited to note no.26 of the notes to accounts regarding the consolidated financial statements of the Group having been prepared on a Going Concern basis, the Group's net worth has been significantly reduced and it has been incurring cash losses and the promoters have infused funds by way of unsecured loan and are committed to provide necessary funding to meet the liabilities and future running expenses of the Group. Further, the Board of Directors of the SRM Energy Limited ("the Holding Company") have obtained requisite approval obtained from shareholders to sale/transfer, assign, deliver or otherwise dispose off the Land for the Power plant admeasuring 215.14 acres currently in the name of its wholly owned subsidiary, the subsidiary Company has sold its land admeasuring 97.68 acres for Rs. 293.02 Lacs during the current financial year and the sale proceeds as received is being used to partially settle the pending loan. The Subsidiary company incurred a loss of Rs. Rs. 226.15 Lacs during the current financial year on sale of land accordingly impairment loss on CWIP amounting to Rs. 1399.24 lacs accounted for in the books of accounts which is proportionate to the area of land sold. Till now approx. 55% of the land are unsold. Considering the aforesaid facts the accounts are prepared under going concern basis.

Our opinion is not modified in respect to this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the

Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the financial statements and auditors' report thereon

The Holding Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Holding Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Holding Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rule, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group company are disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Holding company and subsidiary company, incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding Company's and its subsidiary company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated Ind AS financial statement disclose the impact of pending litigations on the consolidated financial position of the Group-Refer Note 19 to the consolidated financial statements;
 - (ii) The Group did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise; and
 - (iii) There has not been an occasion in case of the Group during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.

TO THE INDEPENDENT AUDITOR'S REPORT

ANNEXURE "A"

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**Management's Responsibility for Internal Financial Controls**

We have audited the internal financial controls over financial reporting of **SRM ENERGY LIMITED** ("the Holding Company") and its subsidiary **SRM ENERGY TAMILNADU PRIVATE LIMITED** (the Holding Company and its Subsidiary together referred to as "the Group") as of March 31, 2020 in conjunction with our audit of the financial statements of the Group for the year ended on that date.

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance or adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment or the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED

1. Corporate Information

SRM Energy Limited ("the Group") is a public company domiciled in India and incorporated under the provisions of the Companies Act, 2013("the 2013 Act"). The group's equity shares are listed on Bombay Stock Exchange(BSE). The Company has been engaged in setting up Thermal power project in its wholly owned subsidiary. The registered office of the group situated at 21, Basant Lok Complex, Vasant Vihar, New Delhi-110057. The group's parent and ultimate holding Company is Spice Energy Pvt. Ltd.

2. Significant Accounting Policies

2.1 Statement of Compliance

These consolidated financial Statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments that are measured at fair values, the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prepared under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

2.2 Basis of preparation and consolidation

The consolidated financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

Historical cost is generally based on the fair value of the consideration given in exchange of goods or services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The principal accounting policies are set out below.

All assets and liabilities have been classified as current or non-current according to the Group's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months.

The consolidated financial statements incorporate the financial statements of the holding company and its subsidiaries. Control is achieved when the group:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

All intra group assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Companies included in Consolidation

Name of the consolidated entity	Country of Incorporation	Nature of Interest	% of Interest
SRM Energy Tamilnadu Pvt. Ltd. (i.e. SETPL)	India	Subsidiary	100

2.3 Property, plant and equipment [PPE]

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any.

All items of property plant and equipment have been measured at fair value at the date of transition to Ind AS. The Group have opted such fair valuation as deemed cost at the transition date i.e. April 1, 2016.

Cost of acquisition or construction is inclusive of freight, duties, relevant taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for qualifying assets, upto the date of commissioning of the assets

2.4 Capital Work in Progress:

Project under which assets are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable interest.

2.5 Depreciation

Depreciation has been provided following Written Down Value Method based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013, unless stated otherwise. Goodwill arose during 2007-08 on amalgamation of SRM Energy Pvt. Ltd., a Special Purpose Vehicle for implementing Power Project, into SRM Energy Limited as per the Scheme of Amalgamation approved by the Hon'ble High Courts at Bombay and Delhi and is being transferred from SRM Energy Ltd to SETPL under the Scheme of Arrangement approved by the Hon'ble Bombay High Court vide their order dated 03/09/2013. Goodwill will be amortised over a period of five years after the commencement of commercial production of the projects. Depreciation on additions is charged proportionately from the date of acquisition. Assets individually costing less than or equal to rupees Five thousand have been fully depreciated in the year of purchase.

The depreciation in respect of following assets has been provided based on management estimate of useful life, which is as under:

Particulars	Useful Life
Office Equipment	3 - 10 years

Freehold land is not depreciated.

Depreciation is calculated on a pro rata basis except that, assets costing upto ₹ 5,000 each are fully depreciated in the year of purchase.

2.6 Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any. For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or Groups of cash-generating units) that is expected to benefit from the synergies of the combination.

2.7 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price & value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending upon changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

2.8 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Interest income earned on temporary investment of specific borrowing pending expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are expensed in the period in which they occur.

2.9 Leasing

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the group is classified as a finance lease. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

2.10 Foreign Currencies

Foreign Currency transactions are recorded at the exchange rate prevailing on the date of transaction. Foreign currency denominated asset and liabilities

(monetary items) are translated into reporting currency at the exchange rates prevailing on the Balance Sheet date. Exchange difference arising on settlement of foreign currency transactions or restatement of foreign currency denominated assets and liabilities (monetary items) recognized in the Statement of Profit and Loss / Pre-operative expenses.

2.11 Employee benefits

Employee benefits such as salaries, allowances, non-monetary benefits which fall due for payment within a period of twelve months after rendering service, are capitalised if related to project else recognised in the Statement of Profit & Loss in the period in which the service is rendered.

Employee benefits under defined benefit plans, such as gratuity which fall due for payment after completion of employment, are measured by the projected unit credit method, on the basis of actuarial valuation carried out by the third party actuaries at each balance sheet date. The Company's obligations recognized in the Balance sheet represents the present value of obligations as reduced by the fair value of plan assets, where applicable.

During Current financial year, Provision for leave encashment is accounted on year to year basis and considered as short term employee benefits and are recognised as an expense at undiscounted amount in the profit and loss account for the year in which the related services are rendered.

Actuarial gains and losses are recognized immediately in the Statement of Profit & Loss.

2.12 Investments

Investments that are readily realizable & intended to be held for not more than a year are classified as current investment. All other investments are classified as long term investments. Current investments are carried at lower of cost & fair value determined on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize the decline other than temporary in the value of investments.

2.13 Provisions and Contingent Liabilities**Provisions**

The group recognised a provision when there is a present obligation (legal or constructive) as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. When the group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.14 Taxation

- (i) Provision for Current Tax is made after taking into consideration benefits admissible under the provisions of The Income Tax Act, 1961.
- (ii) Deferred tax resulting from "timing differences" between book and taxable profit is measured using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.
- (iii) At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognizes, unrecognised deferred tax assets to the extent that it has

become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company write-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

2.15 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.16 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) after tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.
